Summer a Time of Refreshing

I love July for a couple of reasons, time for fishing and time for Camp Meeting. Along with ministering in a couple of churches close to home, I had the opportunity to preach three camps. It was my second time preaching Harmony Church's in-house Camp Meeting. They are an evangelical missionary church with an extraordinary passion to make a difference in the region. They are touching people with the Gospel with an active church in Winchester, a drop-in centre in Chesterville and a satellite service in Williamsburg.

For me, Mt. Zion Camp has always been a safe place, a little heaven on earth, a place that cradles the presence of God and fans the fire for Revival. This was my eighth summer preaching there and it's only gotten better. Why not plan on attending next summer, camp is always the first two weeks of July. You will love the people, the place and the presence of God.

Returning to Camp Escuminac was very special for me. I was thirteen when my father purchased the land and began to develop the property as a place of ministry along the Gaspé Peninsula. What a joy to preach at French Camp and see over two hundred people in attendance. It was a privilege to mingle with French pastors from Quebec and New Brunswick enjoying a time of refreshing. God is up to something good in the province of Quebec!

Pastor's Camp

PREPARING AND POSITIONING

I spent the month of September traveling Ontario from the Ottawa Valley to Middlesex County. One of the enjoyable things about being an Evangelist is the variety of people I meet and the venues I speak at. From preaching Sundays in sanctuaries, midweek services, bible studies in homes, to Friday night revival services, Saturday morning seminars and Saturday evening soaking services. No matter the venue, God is stirring His people and preparing His Church for an end time move of Holy Spirit.

Listen to my heart, picture thirty men crammed in a house basement in worship, prayer and the word. A Friday evening in a jammed sanctuary with chairs added to hold the crowd as the glory of God saturated the house. An added Sunday evening service where the attendance was larger than in the morning service. A full house Saturday morning for a four hour School of the Spirit followed by a three hour tarrying/soaking service that night. All this to say, people are thirsty for a fresh visitation of God. We need to be preparing and positioning for what God promised He would do in end times. Somebody blow the trumpet!!!

UNIQUE AND DIVERSE

August had a little bit of everything, which makes summer ministry unique. A Holy Ghost Sunday at Bethel in Sarnia, revival tent meeting at Logos Land, Pastor's Camp at Mt. Zion Retreat Centre and a church retreat with Jesus First Assembly at Countryside Camp and Conference Centre. All were hallmarked by a rich presence of God; people's lives were changed by the power of God - spirit, soul and body.

A mother and daughter were gloriously saved at Bethel in the evening service. There were endless reports of the healing power of God at the tent meeting. I loved every second of that evening as freedom swept across the altar. Pastor's Camp with Scott Young was amazing with pastors from Eastern and Western Ontario in attendance. Some of my favorite lines were... "Some like the idea of faith; others like to move in faith. Compete with your course not one another. Don't sell out your history. When you're treated like a dog, don't bite. There will be a harvest out of your pain." If you are interested in the six workshop CD's give Mt. Zion a call at 613-474-0238. Pastor's Camp next year will be Wednesday, August 21st - Saturday, August 24th. Love to see you there.

On the side, we also squeezed in packing and shipping 110 boxes for a Christmas Give-Away in Nain, Labrador. The month wrapped up preaching for my Filipino friends from Jesus First Assembly. What an awesome church retreat, three days in worship and the word. Every Christian needs extended times in praise, fellowship and prayer.
