TO CUBA WITH LOVE

Our autumn mission trips to Cuba have been postponed to 2021. Our building programs are on hold as there is no material. The baseball caps and spools of thread continue to be sold as a small business venture. The fishing boat, sewing centres and hair salon are up and running.

Please keep Cuba in your prayers.

THE SUMMER OF SILENCE

I understand that not everyone loves Camp as much as the Price Clan. Camp has always been a part of my life, Trish's as well as our children. We have all worked at Summer Camps somewhere in Ontario over the years.

As a child my father's idea of a Price family vacation was preaching two or three Camps each summer.

We owned a cottage at Lakeshore Camp for fifty two years. It was at Camp I felt the call of God for ministry. I received Spirit Baptism at Sylvan Lake Camp in Alberta. Did I have fun, did I break a few curfews, steal the Tabernacle bell, yes! But the extended prayer times, worship and altar times are forever etched in my heart as well. I still have friends in my life today I met at camp as a teenager.

Chuck Price
Executive Director

In many ways camp prepared me for pastoring and traveling as a Missionary Evangelist. Over the past forty years of ministry it has been my joy to preach Camp Meetings across Canada. I couldn't begin to tell you how many altar calls I've given, people saved, healed, baptized or just blessed.

All this to say, I have a concern that COVID-19 wiped out a summer of camp meetings, a summer of spiritual opportunities not always offered anywhere else.

MAKING A DIFFERENCE

The majority of our Pentecostal churches are solo pastors with less than a hundred parishioners. With the arrival of COVID-19 it has complicated how we do church services.

Reapers has reached out to a number of our rural Ontario churches offering assistance to facilitate the 'how' they do services. We have been able to help with FM band transmitters, laptops, sound equipment, cameras, projectors, even paint and windows.

It is a great time to bless our rural churches letting them know we need them and care for them.

SUMMER RAIN LEADERS CAMP 2020

This was our thirteenth year hosting Summer Rain at Mt. Zion Retreat Centre. With the COVID-19 restrictions we were limited to what we could do but not Holy Spirit. While the Tabernacle remained empty, hundreds joined us on Facebook Live and FM Band. People drove onto the grounds, sat in their vehicles to be a part of the worship and word. Loved it!

My thanks to Bill Prankard, Jason Luscombe, and Dawson Phillips for their Holy Ghost anointed preaching and worship. It's not too late to listen to these services as they are posted on Mt. Zion Retreat Centre's website.

HARVEST PRINCIPLES

I don't pay attention to conspiracy theories or date setters on the Return of Christ. We need to stay focused on end-time living. COVID-19 is not the end; we still have work to do. Jesus will not return until the Gospel is preached/proclaimed to the whole world. 2 Peter 3:11 states, "speed it's coming, hurrying the day, work to hasten the day."

THOUGHTS FROM MY JOURNAL

Have we lost our expectation of the supernatural?

You lose your discernment through disobedience.

If you have to remind people you're the leader, you're not!

Going and Giving is anchored in what you believe.

The Church exists because of the Mission.

Check out Reapers on YouTube with over 40 sermons and devotionals available.

BECOME A REAPERS PARTNER

Have you considered partnering monthly with Reapers? Being a monthly partner helps Reapers establish a budget line for its ongoing projects. All we need is a void cheque and the amount you want withdrawn on the 17th of each month.
