

## TO CUBA WITH LOVE

What a joy to return to Cuba in January and March with teams from Church on the Queensway, Toronto, and City Christian Centre, Kingston, to continue the church building projects in Matanzas and Santa Cruz de North.

Reapers is in the process of purchasing its eighteenth house which will be renovated and used for a house-church. The fishing boat, purchased by Reapers, is out most nights providing income for families, as well as, money for building supplies as are the sewing centres and hair salon.

Reapers contributed towards the purchase of a farm to be used for Family Camp. I had the pleasure of having the first meal ever in the new dining hall. We had pulled pork and fruit, all grown on the property. I am so excited to see this project move ahead as I know the spiritual value of Camp Meeting. During our trip in March, we distributed the remaining items from the shipping container. Bikes for pastors, sound equipment and instruments for churches, office equipment for the National Office, supplies for the Camp, sewing machines plus fabric and hundreds of spools of thread, lots of tools and pails of paint. Thanks again for helping to make this happen. What a blessing!

Over the past six years Reapers has helped our Cuban brothers and sisters complete a number of ongoing projects providing financial support and manpower with roofing materials, rebar, countless bags of cement, floor tiles, windows, doors and a finishing coat of paint. I call this *long-term evangelism* because long after Reapers leaves Cuba, these properties will be there ministering to thousands.

## THAILAND

Trish and I traveled to Thailand in February to see our son and his awesome family. We enjoyed the best of family time and ministry time. Both had highlights. We shared in the birth of our seventh grandchild, Izelle, and thoroughly enjoyed snuggle time with grandchildren 1, 2 and 5. I also had the pleasure of ministering with my son at Oasis in Bangkok, Jitmaitree Church in Chiang Mai and Jaisamain Church in Chonburi. Check out [thepricepost.com](http://thepricepost.com) for lots more of what God is doing in Thailand.

## FROM THE HEART

When God gives you a dream to follow a stranger, you know that man and the vision must be pretty important. That man is Chuck Price of Reapers in the Rain International.

Over the past several years I have been one of many who have had the opportunity to travel with Reapers on mission trips to Cuba and Gaspe, Quebec, to help grow the kingdom of God. The impact that Reapers has for the kingdom is truly amazing. Punching far above its own weight, is a testament to God's hand on this organization and the heart of its director. Empowering many countries with the Word of God, building churches, hosting pastors' conferences and supplying humanitarian aid to those in need, as well as, implementing sustainable development projects are its mandate.

At the core of all this, is God's heart for the lost and an obedience to follow the move of Holy Spirit. Thank God for dreams and visions and a vehicle like Reapers in the Rain, that we can all take part in. - Gerry

Reapers in the Rain touches countless lives. The ministry manifests itself as God's loving hand extended, walking alongside the Church, regardless of the country to which the members belong. As missions trip team members, we've seen the impact the building supplies, the fishing boat, the sewing equipment and material have made in the lives of those struggling to provide for their families. Of even greater blessing, is the spiritual food received through the preaching of the Word by Chuck.

We have been so humbled by the opportunity. It has been such a great blessing to us to have been even a small part of this, God's work, through Reapers in the Rain. - Ken and Sharon
