TO CUBA WITH LOVE

Last March we were in the process of purchasing three properties. One for a combined hair salon and sewing centre and the other two for house churches. I look forward to completing this when we return to Cuba in November. The baseball hats and spools of thread that we shipped last Autumn continue to be sold to bless families.

Our church building projects in Cardenas, Paula, Caraballo, San Antonia, Jibacoa, Santa Cruz, and Conchita are on hold as Cuba is still shut down. The Sewing Centres are closed but the Hair Salon and fishing boat are open for business.

The Gospel is being preached on limited social media. Even when tourism re-opens it will take a long time for the real Cuba to rebound. Please keep them in your prayers and support.

REAPERS WAREHOUSE

Thanks to the hard work of Rod Parker the warehouse has stayed open and busy.

Nothing is going overseas but lots is happening here in Ontario.

What a joy to work with Dean O'Connor on the streets and shelters of Toronto providing, hats, summer clothes, sleeping bags, and survival bags. This man is the real deal, check it out... *Souls for Christ Ministries*.

WE NEVER STOP TRAVELING

Physical travel, not so much, but over the past few months I have preached in Ottawa, Peel, Courtice, Toronto, Peterborough, Brighton, Gilmour, across Eastern Ontario and into Québec via ZOOM, Live Stream, and pre-recorded messages. Best of all, people are getting saved, while others have renewed their commitment to serve Jesus.

Reapers is now on YouTube with over thirty sermons and interviews and new messages being added weekly.

Our methods have changed but the message remains the same; Jesus saves, Jesus heals, Jesus baptizes, and Jesus is coming soon.

- to love the lost as much as we love the found.
- to speak truth in love concerning life after death.
- to remember the cost and the value of one soul.
- to put the Great back into the Commission.
- to expand our vision beyond, as for me and my house.
