Everything in Life

Cool and colorful, there's just something about this time of year. I enjoy the change of the seasons, winter, spring, summer, and fall. I've been reminded lately and reminding as well, that life is made up of seasons. Please don't allow one season of your life to become the totality of your life. Everything in life is preparation for the next season. Even though the colors fade and the weather changes, God is still working things out for our good.

What an awesome four days in Montreal, at Bethel for their first Missions Conference. Great exhibits from local ministries to overseas missions, workshops, videos and testimonies. Those in attendance were informed and transformed. I was blessed to be a part of the ministry team.

I taught School of the Spirit each Wednesday evening in September at Liberty in Bowmanville. My premise is simple. If you get to know Him, you will fall in love with Him; the language, the gifts and the fruits will follow.

Huge thanks to the guys from Liberty for unloading and loading 210 boxes prepared for the Christmas Give Away in Nain, Labrador. A BIG shout out to True North Aid for taking on this project, glad Reapers could be a blessing.

Leaving for Honduras the end of September full update in our next newsletter.

Snapshots from my Journal....

- ♦ Holy Spirit did not come to improve us but to empower us.
- ♦ We have relied on the anointing of the word and worship and not our walk.
- ♦ We want the language without the life, initial without fullness.
- ♦ We want the Gifts without the Fruit. Spirit without Holy.
- ♦ Holy Spirit does not work for me, I work through Him.

A New Army Rising

I had the privilege of preaching at three camps in July, Manhattan Beach, MB, and two in Ontario, Mt. Zion and Lakeshore. What I love most about camp meetings is the extended times in worship, prayer and altar. What a joy to pray with people at Manhattan for the baptism, Mt. Zion for salvation and Lakeshore to recognize the call of God on their lives. Praying with a young woman about the call on her life, I asked her, "In what area of ministry do you feel called to?" Her response was a first for me... "God has called me to be an Evangelist." Never, have I had the opportunity to pray with a 17 year old young woman about the office/gift of an Evangelist. Thank you Lord.

It was also interesting to observe the large number of men and woman in their fifties at the altar. Their careers winding down, pensions in place, families raised, now with time and energy to give in full-time

ministry. I see a new army rising up within the church with a wealth of life experience to offer the Kingdom. There is a fresh hunger in the land, may we continue to fan the flame.

I love traveling, seeing and hearing, connecting the dots so to speak, of the great things God is doing. I believe God is preparing his church for a final assault on the kingdom of darkness. So allow God to move you into an end-time mind set with an end-time anointing for an end-time harvest. It can no longer be business as usual as we are about our Father's business.

Visitation

Working out of the house and ministering in Ontario for the month of August was a treat. The highlight was without question our 4th Reapers Pastor's Camp at Mt. Zion Retreat Centre. Wow! Rick Ciaramitaro from Open Bible Faith Fellowship and Terry & Melissa Bone from I & D Ministries spoke life and blessing into

our hearts. Our theme was simply 'Visitation' and without a doubt everyone in attendance received a word from God. The topics included, Atmosphere for Visitation, Paying the Price, The Glory of God and Generational Blessing. If you would like a complete set of the six sessions, please contact Mt. Zion Retreat Centre at 613-474-1941.

Pastors, mark your calendars for next year, August 15th-18th.

As an Evangelist, I have the opportunity to preach foundational truth and on fundamental doctrinal issues like salvation, the cross, the blood, Holy Spirit, healing and the Second Coming. When life gets crazy it's good to go back to basics. After all, we all need landmarks in our lives, Jesus the Saviour, Jesus the Baptizer, Jesus the Healer, Jesus the Soon-Coming King. On at least three occasions this summer, I spoke of the Second Coming of Christ, in particular, the Rapture. Following the message I prayed with a couple in their sixties, at the conclusion of our prayer, the wife said to me, "We have been attending church all our adult lives and this is the first time we have heard a message on the Rapture." When was the last time you heard a message or spoke of our great hope?

Harvest Principals

The Gospel is not about making bad people good but dead people alive.

The Gospel must not be reduced to me and God.

The Gospel only works if you believe it.

The Gospel is the good news of God's provision of redemption.

The Gospel is not the power of persuasion.
