OCTOBER: HONDURAS

This was my fourth trip to Honduras and it just keeps getting better. It was great to have a couple of Pastors join me this year, Nick Macuck from Nashville, TN and Steve Watkins from Courtice, ON. What a Blessing! This trip was all about equipping and empowering the Church especially those in leadership.

We held two one day Pastors Conferences hosted by World Gospel Outreach with 200 in attendance. One was held up in the mountains outside of Tegucigalpa and the other at WGO. The hunger for the Word was absolutely humbling.

Followed by a day away for missionaries from a variety of denominations hosted by the Honduran Christian Fellowship with 40 attending. My goal was to bless those who give and sacrifice so much for so many.

We wrapped up the week hosting a 3 day leadership conference at Villa Gracia with 75 in attendance. I wish you were there to hear the worship, listen to their prayers and be a part of the altar times. The testimonies of the faithfulness of God would melt your heart. None of the above would have been possible without the help of Randy and Judy Lundrigan and their support staff, along with the generous donations from so many. It's important to keep the hands and hearts of our front line workers empowered and encouraged.

FROM MY JOURNAL

- Don't settle for information, but revelation and transformation.
- We need to put the Must back in Mustard seed faith.
- The Holy Spirit is not a luxury. He is a necessity.
- The devil hunts between what you profess and what you possess.

NOVEMBER: CUBA

It was my first trip to Cuba but definitely not my last. I traveled with Gary Empey, Director of Global University for Canada. What a joy to see and hear what God is doing in Cuba. We ministered in the Western District of the Assemblies of God (A/G) Cuba. We held and hosted a three day Pastors Conference in Pina da Rio at one of the local churches with over 120 in attendance. Not only did I have the privilege of meeting with Pastors but also District Officers and Presbyters, the former General Superintendent and the new General Superintendent and his wife. God is up to something great in Cuba and I plan on being a part of this end time harvest. This is the first year that they are able to buy and sell property in Cuba, which is ground breaking for the A/G in Cuba to purchase potential church sites. We looked at a few properties ranging in price from \$3000 - \$9500 Canadian. Two were corner lots with a house and plenty of room to grow. The other was a huge property on a main street in San Juan with immense potential. My goal in 2014 is to raise money for the A/G Cuba to purchase properties, and then take teams to help renovate. This is an opportunity of a lifetime! Can you imagine having a church up and running for a few thousand dollars?

DECEMBER

With only two preaching engagements for the month we stayed busy boxing and shipping for a number of Christmas give away's and wrapping up year-end in the office. We were able to sort supplies with the help of Liberty Church, ship 140 boxes to Nain, Labrador with the help of Heart for Missions, for distribution by Shining Light Ministries. Knowing the quality of what was in the boxes I was excited to see them loaded in the back of the transport heading to Goose Bay. Thank you to the ladies at Calvary Temple, Belleville, King St, Oshawa, and Patricia from Bowmanville for all your kind work. We also sent boxes of winter clothes and bags of warm socks to Heart to Heart Outreach in Toronto for a Christmas give away in Flemington Park. Due to the kindness of many we were able to keep 150 kids warmer this Christmas. Thank you for allowing us to be hands and feet to so many this Christmas Season.
