REAPERS IN THE RAIN CONFERENCE

We hosted our first Conference in our home church the last weekend of May. Matthew Moss and Band excelled in leading worship. Bill Prankard was our key note speaker sharing a strong prophetic word for Canada. The Friday evening miracle service was simply that as many were healed. Saturday morning was an impartation service as we were encouraged to become an army of healing Evangelists. At noon Divine Dining deliciously catered our Reapers Fund Raising Banquet. So very thankful for those who donated to our upcoming projects, Gaspé QC, Honduras and Cuba. We wrapped up the afternoon with Bob Cates, a Christian Comedian, who was hilarious.

THOUGHTS FROM MY JOURNAL

- It's hard to fulfill the Great Commission without a passport.
- Are we keepers of aquariums or fishers of men?
- Put your money where the community can see it.
- It's never been about filling a sanctuary.
- The devil is more concerned with what you do off church property.

HARVEST PRINCIPLES: JOHN 9:4

- W-5: When, What, Who, Why, Where
- "As long as it is day (where), we must do the work (what) of him who sent us (who). The night is coming (why) when no one can work (when)".

Missionary Evangelist

GASPÉ OUTREACH:

In June I travelled with a team of men to Camp Escuminac in Quebec. I love this part of Canada with its winding rivers and tree covered hills. We had the opportunity to work on the camp grounds as well as hold evangelism classes in the dining hall. I enjoyed taking what we learned outdoors away from the confines of walls and ceilings as we put our evangelism classes into effect and held meetings at Riverside Park in Campbellton. We sang, testified, preached, handed out bibles and prayed with people.

It was a joy to preach in Campbellton, NB at Gateway Church and New Richmond, QC at Full Gospel Church. The church in New Richmond was built during the early years of the Gaspé Outreach and the Campbellton church was an essential part of those years. Not only did this trip bring back many good memories but it also stirred a fresh vision for the future. Next summer, my vision is to host a ten day Gaspé Outreach starting on the north shore in Matane, holding services around the Peninsula, and concluding on the south shore in New Richmond. I get excited just thinking about it!

NO VISION - PROVERBS 29:18

It's not simply a matter of having vision but having the ability to implement the vision.

Some of the observations I have made over the last thirty years of ministry include,

Is your vision birthed or borrowed?

Be patient with the seasons of your vision.

Don't get lost in the details of your vision.

Your vision should be bigger than you.

Count the cost and count it again.

Keep track of your motives and attitudes.

You need to take ownership.

Not everyone is going with you.

Revelation must move into relationship.

Big vision demands big character.
