REAPERS IN THE RAIN PASTORS' CAMP

AUGUST 19 -22, 2015

Join us at Mt. Zion Retreat Centre in Gilmour, Ontario for another great year of growth and community. This year we will be hearing from David Tapley and Matt Tapley. Dawson Phillips will be back leading us in worship.

UPDATE: FLEMINGDON OUTREACH

Reapers has rented Grenoble Public School in Flemingdon Park, Toronto the last Saturday of each month, January thru April. The evening consists of three separate programs for the children, youth and adults. Each month has grown in attendance and each month we have prayed with people for salvation. English is not in the top five languages spoken in the region as so many families are new immigrants to Canada with 30,000 in walking distance of the school. What an opportunity to share the love of Christ!

THOUGHTS FROM MY JOURNAL

Show me your financial statement and I will tell you your vision.

Lift Jesus so high, that the world knows who they are accepting or rejecting.

You can't win the world from within the church walls.

We talk of Community within the church.

What about the Community?

HARVEST PRINCIPLES

We will see the lost saved when we love them as much as we love those that are saved.

John 3:16; Luke 19:10; Romans 5:8; Luke 17

THE FRUIT REMAINS

In March I returned to Trinidad & Tobago for the eleventh time after a two year absence. After the completion and dedication of Bethel Open Bible in 2012 I felt it was time to move on for a season.

Over the 18 days of ministry in churches, tent meetings and schools I could see and sense the faithfulness of God on so many levels. I met people that were saved and healed over the years in our meetings.

I met a young man who was saved at a tent crusade four years ago. I remember the night as I gave three altar calls with no response. Asked again and seven young men walked forward to accept Christ, he was one of them.

I met another man who worked with the different teams from Canada on the church building in Borde Narve. When I gave the altar call a few weeks ago, in the church he helped build, he walked forward for prayer.

I met another man who was an alcoholic. The hospital sent him home to die. His wife came forward in one of the tent meetings three years ago and asked if I would pray for her husband, he needed a miracle. We did, God saved him, healed him and he is back at work. He and his wife heard I was back in the area and came to one of the services to say 'Thanks' for praying.

I always like to buy a few little gifts for the family before returning home. While shopping in San Fernando I chatted with the store owner and invited her to attend the evening service. She came and was the first to raise her hand for prayer as I gave the altar call.

Now that I am getting older I think about it more, the importance of reproducing your faith in the lives of others. It was good to see that the seed planted over the years through Reapers has grown and remains strong.

READY FOR REVIVAL

I returned to Cuba last January to speak at a pastors conference in the City of Cienfuegos, as well as, preach in local churches. It amazes me to see the tremendous growth taking place among the Cuban Assemblies of God churches especially under Communism. The Cuban Constitution guarantees religious freedom on paper but is rather restrictive in practice. Yet the Cuban Pentecostal Church has grown from 300 in the mid 1980's to 6000 plus local assemblies.

Their church buildings run from a simple room in a house to a plaster church sanctuary.

They seem to have more members than seating. Many stand throughout the service or shift off with a family member for a few minutes on a chair. Their worship instruments are dated and worn but it doesn't matter as the singing is explosive and passionate. When you preach they pull the word out of you like water from a sponge. Many hold their bibles like a prized possession not knowing how to find the text but are hungry for truth. And the altar times are charged with the presence of God.

HAITIAN PRAYER CONFERENCE

What a joy to minister in Miami at Evangel Church International with the Hundy's and their Haitian congregation. Recently I spent time reading the history of Haiti from 1492 through to today. It doesn't take long before you realize how Satan has tried to destroy this nation on many levels. I have traveled to Haiti speaking at a pastors' conference and helping with a medical team. The needs are overwhelming, the poorest of the poor, and corruption is ramped. The UN and the thousands of Aid Organizations have not and cannot make the difference that the power and presence of God can. I look forward to returning next November with a team from ECI that are making a difference in Haiti. When the night is the darkest the light shines the brightest. Prayer travels where you can't!
