REAPERS IN THE RAIN PASTORS' CAMP

AUGUST 19 -22, 2015

Join us at Mt. Zion Retreat Centre in Gilmour, Ontario for another great year of growth and community. This year we will be hearing from David Tapley and Matt Tapley. Dawson Phillips will be back leading us in worship.

HOPE GASPÉ JULY 17 - 22

Thanks to Every Home for Christ - 19,300 homes representing 50,000 people will receive by mail the Gospel, and an invitation to attend one of the three Concerts of Hope we are hosting along the South Shore of the Gaspé. We have music, children's programs, snacks and plenty of literature to give away. Our goal is to establish Christ Groups/Home Groups that will develop into churches. This is the largest endeavor we have taken on in Canada over the past ten years. We could sure use your prayers and financial support.

THOUGHTS FROM MY JOURNAL

- Your job is your seed not your source.
- When was the last time you offended someone with the gospel?
- When you take the text out of context you are left with the con.
- Sin may still be in your head but not your heart.

HARVEST PRINCIPLES

Galatians 6:9

"Let us not become weary in doing good for at the proper time we will reap a harvest if we don't give up."

The application...we don't do it alone; we can stop before we burn out; being busy may be different than doing good; there is a season to reap a harvest so hang in don't quit now!

THE HIGHLIGHTS

A couple of highlights from last April:

Over the four months of Outreach in Flemingdom Park, Toronto, ON we grew from 70 to 240 in attendance. I was honoured to never leave the region without praying for people for salvation, healing and provision.

I spent a few days in Pittsburg, PA with Brian Bolt, who oversees City Reach Network. They are church planting all over the USA and will be in Canada later this year. City Reach Network has the resources, skill set, and experience to allow a Church Planter to stay focused on people while they tend to the business-end of things. Be sure to tuck away **Tuesday, November 3rd**, for an all-day seminar with City Reach Network at Church on the Queensway, Toronto.

On May 24th, I had the pleasure of preaching Pentecost Sunday in Toronto. The altar was lined with people seeking and receiving the Baptism of the Holy Spirit. What a joy to hear so many people speaking and singing in their heavenly language. The promise of the Father is still for today. The prophecy of Joel is still for today. The preacher's proclamation of the early church is still for today. So why not jump in with the millions that are believing and receiving?

GREAT BEAR RAIN FOREST

AUGUST 28 - SEPTEMBER 7

We have a boat and a crew of six men that will travel along the coast of Vancouver Island from Comox to Port Hardy to Bella Bella to Klemtu and back to Comox. Our goal is to share faith and fish with First Nations communities, many only accessible by boat or air. We also want to bless the children with toys, inflatable sports balls and distribute bibles.

JUNE WAS ABOUT BRICKS AND MORTAR

Reapers hosted two work teams, one at Mt. Zion Retreat Centre in Gilmour, ON and the other at Camp Escuminac along the South Shore of Gaspé, QC. We had over twenty men from six churches working on roofing, plumbing, electrical, painting, laying floors, raising foundations, siding, trenching and building decks.

We ate well, laughed lots, spent time in worship and the word and accomplished much. My *thanks* to the men who have made a difference in the lives of hundreds attending camp this summer.
